and farrier*

# TRANSPORT

BY AIR

- Horses fly usually in **economy class** by 3 horses per air stall or in **business** by 2.
- The horses are always accompanied by an **EHS professional equine flight attendant**.
- These horsemen are specially trained to maximize the **well-being of your horse** during the whole transport.

BY ROAD

- EHS offers full transport services with our **first class custom-made EHS-trucks**.
- We use the **latest technology** to secure the best travel conditions for your horse.
